

# February Update

## The fun and fellowship program

Although the meetings are at the heart of any AA convention (more on these on our website and in next month's newsletter), the fellowship is certainly one of the big attractions. The fun and fellowship crew have been hard at work to produce an awesome program of activities to suit all budgets and interests, culminating in the 1920s themed Gala Dinner Dance at the glorious Plaza Ballroom on Collins St. Tickets are selling fast so don't delay - limited tickets for the Friday Twilight Cruise are also available online.
